*Hammer & Nails grew out of a temporary ministry in which North Industry Christian Church partnered with Group Work Camps to host a week-long event in both 1995 and 1998. The purpose was to assist lesser advantaged Stark County homeowners with home and property maintenance and repairs. During these camps, over 400 youth across the nation assisted over 100 homeowners. The success of the workcamps, along with encouragement from the community, led to the creation of Hammer & Nails as an independent 501(c)3 organization. To date, over 4500 homeowners have been helped, but the need for assistance is still great. Which is why we will continue to do, what we do.*
